# Gaisce Awards

# St. John Paul 2<sup>nd</sup> Awards

## POPE JOHN PAUL II AWARD

The Award has been created to commemorate the late Pope John Paul II who was so committed to young people and who had such belief and confidence in them.

Through the Pope John Paul II Award, young people are encouraged to take an active part in the life of their school, in the life of their community, in their society and also to be inspired by the teaching of the Catholic Church.

It allows young people to show that religious education is not just learning, but living.
